Working Steps

- **Materials**

We collect 100% Korean original materials only.

- **Sorting**

Through the first and second sorting stages, we carefully select each item with strict quality standards.

- **Packing**

Using press machines, we produce clean and well-packed bales.
We operate both 100 kg and 50 kg press machines to meet various packing needs.

- **Loading**

We load containers neatly according to each customer's requested quantity.
